| 170.93 acres |                  |                  |                             |

9. Estimated cost of works.....\$10,000
10. Estimated time required to construct works.....Completed
11. Estimated time required to complete the application to beneficial use. Water has been beneficially used since 1929.
12. Remarks: For use other than irrigation or stock watering, state number and type of units to be served or annual consumptive use. A Proof of Appropriation has been filed on this well and the filing of this Application does not in any way affect the Claim the Applicant has to a Vested Right. At certain times of the year the water from the well is co-mingled with water from the Carson River. The map submitted with the Application is to be used to support the Proof of Beneficial Use and the Proof of Appropriation.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to beneficial use. It is also understood that this right must allow for a reasonable lowering of the static water level at permittee's well due to other ground water development in the area. A substantial weir or other type of measuring device must be installed and measurements of water use kept. The well shall be equipped with a 2-inch opening for measuring depth to water. If well is flowing, a valve must be installed and maintained to prevent waste. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 6.0 cubic feet per second, but not to exceed a yearly duty of 4.0 acre-feet per acre of land irrigated from any and/or all sources.

Actual construction work shall begin on or before January 16, 1975

Proof of commencement of work shall be filed before February 16, 1975

Work must be prosecuted with reasonable diligence and be completed on or before January 16, 1976

Proof of completion of work shall be filed before February 16, 1976

Application of water to beneficial use shall be made on or before January 16, 1978

Proof of the application of water to beneficial use shall be filed on or before February 16, 1978

Map in support of proof of beneficial use shall be filed on or before February 16, 1978

Commencement of work filed JUL 24 1974  
Completion of work filed JUL 24 1974  
Proof of beneficial use filed JUL 31 1974
